

York Neighborhood Association Board of Directors' Meeting

Virtual Meeting via Zoom.US

April 2, 2020

Approved: **2020-04-29.1c**

Call to Order 8:00pm by Tom Scott, President.

Attendance:

Board: Tom Scott, Jeremy Ferrera

Guest: Chris Roselli (WWU)

The agenda was suspended for lack of quorum.

Chris reported operations changes at Western Washington University. Aside from all classes being offered online for spring quarter and postponement of the Winter Commencement, with this evening's Governor's announcement extending restrictions on meetings, gatherings et cetera, university staff and faculty will continue to work remotely from home with the exception of essential staff (police, facilities, etc.).

In general, the University is actively reviewing existing and future measures in response to the current situation impacting not just the University but the community surrounding them. Western has created a website dedicated to the coronavirus complete with updates, resources and news. www.wvu.edu/coronavirus.

Adjourn: 8:38 – Unanimous

Respectfully submitted, Thomas R. Scott, President
